

English

In English, we will be learning about William Shakespeare and his play, Romeo and Juliet. We will use drama in order to learn more about the main characters within the play.

Later in the term I will be revisiting my past learning to look at how it can be improved.

DT

We will be learning about healthy eating and making good food choices. We will weigh and measure different foods and evaluate our own diets.

RE

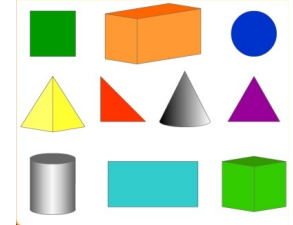

We will be learning about the different interpretations of God. Following this we will be looking at the importance of trees to people's lives.

Mathematics

In Maths each day we will be learning how to tell the time and how to solve problems about duration and time intervals.

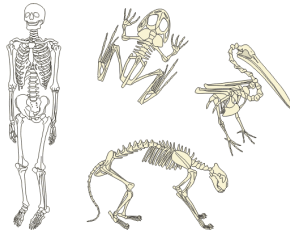

We will also be learning about the different properties of shapes and using direction and position.

Science

This term we will be finding out about animals and their habitats. We will be visiting Oxstall Meadow and search museum to find out more.

In the second half of the term I will be investigating animals including humans.

Year 4 -Summer Term 2015/16

PE

We are currently practising our striking and fielding skills, and using different apparatus in our gymnastics learning. In the second half of term we will learn to play tennis with an expert coach.

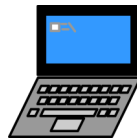

History

In history our enquiry is about the Celts and what life was like in Britain at that time.

Computing

I will be learning how to

Music

In music we will be learning how to play the cornet, baritone or a trombone. We will learn about pitch and tempo.

Personal development

In circle time, we will be discussing spiritual, moral, social and cultural issues relating to the United Nations. As well as learning about how we grow and relationships.

French

In year 5 we will be revising French questions and answers about themselves and family members through songs and stories. We will learn how to name animals and begin to learn about gender in French to be able to add colours and write a simple story of my own.

Art

We will be developing our drawing skills further whilst sketching insects, and turning these into designs for print.
